

This is a detailed site plan for Garage Level One (G-1). The plan shows a large, irregularly shaped parking area with numerous individual parking spaces, each labeled with a 'P' and a number. The spaces are arranged in several rows and clusters. Key features include:

- Parking Spaces:** Labeled from P-139 to P-228. The spaces are distributed across the plan, with some clusters and some individual spaces.
- Common Elements:** Two areas are labeled 'RESIDENTIAL LIMITED COMMON ELEMENT*' and 'COMMERCIAL LIMITED COMMON ELEMENT'. These areas contain stairs and other structural elements.
- Dimensions:** Various dimensions are provided for different sections of the plan, including 88'-5", 25'-0", 59'-1", 149'-0", 39'-8", 71'-8", 32'-10", 4'-0", 24'-4", and 9'-5".
- Orientation:** A north arrow is located in the upper right corner of the plan.
- Access Points:** Arrows indicate access points to the parking areas from the surrounding building structure.

The plan is a technical drawing, likely a site plan or floor plan, showing the layout of the parking garage. The labels and dimensions are in feet and inches.
