The portion of Brainerd
Road shown on this plan
is an established public
street of the City of Hartford

A close-up photograph of a wooden ruler with black markings. The ruler is oriented horizontally and shows the first four inches. The word "INCHES" is printed below the zero mark. Major tick marks are labeled with the numbers 0, 1, 2, 3, and 4. Between each inch, there are smaller tick marks representing half-inches and quarter-inches. The ruler is placed against a dark, textured background.
