Notes:
1. This plan has been prepared in accordance with the Regulations of Connecticut State Agencies, Sections 20-300b-1 through 20-300b-20, the Minimum Standards For Surveys and Maps In The State of Connecticut as adopted by The Connecticut Association of Land Surveyors, Inc. on September 26, 1996.
2. The type of survey is a right of way survey and is intended to depict the limits of property transaction for the project referenced herein.
3. The base line from which this property transaction is referenced conforms to Class A-2 horizontal accuracy.
4. The features depicted herein are the result of the general location survey for the project, or as may be referenced herein.
5. The property and street lines depicted have been compiled from various sources and are not to be construed as necessarily being obtained as the result of a field survey, nor do they represent a property/boundary opinion.
